

Welcome to Nursery Class

What a wonderful start Nursery Class have made to their school career! Our youngest children have been very busy over the past few days exploring their classroom and outdoor area and getting to know each other. It's been such a pleasure to get to know your fantastic children. It's going to be the most fantastic year and Miss Fletcher and Miss Walsh will be with the children every step of the way!

Autumn Term

This term we will be learning about the different seasons and looking at the changes that happen around us during autumn time. Please talk to your child about what they can see when they are outside and encourage him/her to look for how the weather and environment is changing.

Nursery will be reading and exploring some different books set in the Autumn including *Leaf Man* and *Owl Babies*. We will create lots of different artwork using natural resources we find in the autumn.

Religion

This term, Nursery will be exploring what it means to be part of God's family. The children will learn that each of them are very special to God. The children will also learn that they are part of our school family and how we can care for each other, just like we care for our family at home.

Look out for...

Our school website has lots of useful information. Make sure you regularly check the Nursery web page for updates on what the children have been busy doing in school.

Don't forget...

Please put your child's name on all items of clothing including shoes, wellies, coats, skirts, trousers, t-shirts and jumpers.

Please bring in a spare set of clothes to leave in school in case your child needs to be changed during the day.

Looking ahead...

Over the next few weeks, Nursery will be going to Heaton Park to look for signs of Autumn. We will let you know in advance which day your child will be going on the visit.
