

Nursery Class Newsletter

Welcome back! We hope everyone enjoyed the half term rest. It is excellent to see our Nursery children so enthusiastic and raring to go as they have come back to school after the break. We have a busy half term ahead, with lots to learn, explore and discover.

Autumn Term

This term we will be continuing our theme of Autumn and Harvest starting with the postponed visit to Heaton Park. We will share stories including *We're going on a Bear Hunt*, *Oliver's Vegetables* and *Supertato*. Later in the term, we will be learning all about Christmas and how we celebrate the festive season.

In maths this term we will be exploring numbers 1 to 5. We will use lots of different ways to show these numbers and find out how these numbers are made from smaller numbers.

Religion

This term in Religion, we will be learning about how we are all responsible for one another because we belong to one family created and loved by God. We will explore how we can be friends with each other, and that Jesus is our friend too.

Later in the term we will be learning about Advent and Christmas. We will discover that advent is a time of waiting for the celebration of Jesus' birth. We will celebrate the birth of Jesus and find out why His birth was so special.

Look out for...

In the event of your child needing to isolate, their learning will continue at home using Google Classroom. Please try logging in to Google Classroom using the details you were given last term to ensure you can access this. If you have any queries regarding logging in, please speak to a member of the Nursery staff.

Don't forget...

Please put your child's name on all items of clothing. Please also check that their name is still visible after every wash.

Nursery access their outdoor provision everyday. As the weather becomes increasingly cooler, please make sure your child has a warm and waterproof coat.

Looking ahead...

Sadly, we won't be able to join together for the usual Nativity production this year. However, do not worry, the children still have something special in store for you to celebrate the festive season!
