

Dear Parents and Carers,

We are excited to share that our school is in the process of applying for the School of Sanctuary award. This recognition celebrates schools that create a culture of welcome, safety, and inclusion, particularly for those seeking sanctuary due to displacement or persecution.

What is a School of Sanctuary?

A School of Sanctuary is a place where everyone feels safe, welcome, and included.

It is a school that learns about what it means to be seeking sanctuary

It is a school that embeds a culture of welcome, safety, and inclusion within the school and the wider community.

It is a school that shares its values and activities with the local community and works collaboratively to build a movement of welcome

We believe that the journey to becoming a School of Sanctuary is a community effort.

If you or your family have experiences related to seeking sanctuary, we would love to hear from you. Your stories can help us understand the needs and aspirations of our community.

We will keep you updated on our progress towards achieving the School of Sanctuary award. In the meantime, if you have any questions or would like to get involved, please do not hesitate to contact us.

Thank you for your continued support in making The Cathedral School of St Peter & St John RC Primary a place where every child feels valued and included.
